

# BOWADP 1001 AND 1002

## PROFESSIONAL OFFICE SHREDDING SYSTEM

Suitable for continuous duty operation in a compact design, the multifunctional shredder BOWADP 1001 and BOWADP 1002 is able to shred high volume of flat or crumpled paper, stacks of computer forms unaffected by staples or paper clips, and confidential information stored in CDs, floppy disks, credit cards, USBs, tapes at once. It is suitable for medium to large offices to shred it in a safe, fast and quiet way, keeping one of the lowest power consumption of its category. The top loading large feed hopper allows to simply dump the wastebasket directly into the shredder reducing the operating time while operator's safety is guaranteed by the cover, which prevents unintentional intake.

Thanks to its user friendly console, optical indicators that show operational status, integrated auto reverse and cut-off to avoid paper jam, bin-full auto shut down, dustproof closed housing, the BOWADP 1001 and BOWADP 1002 is comfortable to use and transport through its heavy duty casters, preserving efficient destruction of confidential data in compliance with DIN 66399 up to P5 security level and high hourly output.

Its solid and hard roller knife and powerful thermally protected motor guarantee a stable high performance and long working life. Its reliability has been proven through 10 years of usage by Government bureau, Police and military department.
